BREATHE BONUS POINT ACTIONS

BP1 **3 points**
Join the Breathe Project Coalition

Reductions in energy use have a direct effect improving the region's air quality. Be one of the leading organizations, institutions and businesses that are committed to improving air quality in the Pittsburgh region not only through your energy reduction actions, but also by showing your support for how such actions help improve southwestern Pennsylvania's air quality.

Go to: http://breatheproject.org/ and select "Join as a Group" to sign your organization up as a supporter of the Breathe Campaign.

Verification:
You will receive a verification email from the Breathe Project Website. Simply forward that email to gwc@sustainablepittsburgh.org with the email subject line changed to "BP1 – Join Breathe Project Coalition," and include your contact name in the email.

BP2 **1 point**
Pledge to reduce your energy use/air emissions to a specific percentage reduction goal by the end of the Green Workplace Challenge Competition

Send an email to gwc@sustainablepittsburgh.org indicating that your organization pledges a target percentage reduction goal to meet with your portfolio of facilities entered into Portfolio Manager.

Verification:
Send an email to gwc@sustainablepittsburgh.org indicating that your organization pledges a target percentage reduction goal to meet with your portfolio of facilities entered into Portfolio Manager.

BP3 **3 points**
Have employees in your organization to commit to the Breathe Campaign's Individual Action Pledges.

Visit the Breathe project's individual actions website http://breatheproject.org/act/individual/ and encourage employees and members of your organization to pledge to do the actions listed on that page.

Verification:
Have each employee who commits to an action to take a screen shot of their pledge. Send an email to gwc@sustainablepittsburgh.org with the screen shots as attachments.
